

All set for Fistral fun

AFTER the great success of last year's event, ThreeSixty Mag and Rob Barber's Bodyboarding School have teamed up to organise other fun filled, ability-enhancing bodyboarding days at Fistral Beach this summer.

The dates are this Saturday (July 3), Sunday August 1 and Saturday September 25. Everyone who takes part will receive two hours' tuition from former European champ Lisa Bartlett and British team coach Rob Barber, among others.

The lessons will cater for riders of all levels, novice to advanced, and will include specific clinics for those concentrating on particular aspects of their riding as well as plenty of all-round tips and pointers.

Lessons will cost £25 and include equipment (if required), instruction, insurance and a goody bag. The most improved rider at each event will be presented with a brand new top of the range bodyboard. The rider that pulls the best move of the day (novice or intermediate) will receive a pair of Pod Bodyboarding fins.

For more information or to book your place call Rob on 01637 878074, or 07974729639, email Rob@orcasurf.co.uk or check out www.RobBarber.com

To win a free place on the course, call 01637 878074 with the correct answer to the question below:

What is Bodyboarding also known as?

a) Ironing boarding; b) Boogieboarding; c) Snowboarding; d) Skateboarding.
